PROFESSIONAL OBJECTIVES

The Department of State has outlined the following specific objectives for the project:

- Examine primary prevention programs such as family support, after school activities, truancy and dropout prevention and job/training programs;
- Explore school, community and faith-based programs that aim to avert and intervene in behavioral issues with children, and prevent juvenile delinquency and gang involvement; and
- Provide examples of re-entry programs for gang members and juvenile delinquents recently released from jail/prison.
